(See Chart 1 and Attachment #2)

On May 14, 1997, the Reports Analysis Division ("RAD") analyst mentioned at the conclusion of a phone call with the Harris County Democratic Committee that it should expect letters, which were mailed that day, regarding excessive contributions received by the Harris County Democratic Party and its affiliates. The analyst offered his help to this committee if it should have any questions regarding the letters (Attachment #3).

On May 14, 1997, Requests for Additional Information ("RFAs") were sent to the Harris County Democratic Party for the 12 Day Pre-General, 30 Day Post-General, and Year End Reports (Attachment #4).

On May 21, 1997, RFAs were sent to the Texas Democratic Party for the 12 Day Pre-General and 12 Day Pre-Runoff Reports, to the Bexar County Democratic Party for the 30 Day Post-General Report, and to the Jefferson County Democratic Party for the 12 Day Pre-General, 12 Day Pre-Runoff, and Year End Reports (Attachment #5).

On May 28, 1997, RFAs were sent to the Travis County Democratic Party for the 12 Day Pre-General and 30 Day Post-General Reports (Attachment #6).

On June 4, 1997, RFAs were sent to the Dallas County Democratic Party for the 12 Day Pre-General and 30 Day Post-General Reports, and the 21st Century Political Action Committee for the 12 Day Pre-General and 30 Day Post-General Reports (Attachment #7).

On June 25, 1997, RFAs were sent to the Galveston County Democratic Party for the 12 Day Pre-General and Year End Reports (Attachment #8).

The RFAs advised the Committees that, combined with their affiliated committees, they had received an excessive contribution(s) from a political action committee(s). The RFAs recommended that the amount of the contribution(s) exceeding \$5,000 be transferred-out to the non-federal account or refunded to the donor committee(s).

On June 4, 1997, the Commission received a response to the May 14, 1997 RFAs sent to Harris County Democratic Committee which stated that they believe that they "...and the Texas Democratic Party are not affiliated for purposes of contributions." They further detailed that they are autonomous and operate independently from the Texas Democratic Party. Additionally, they state, "...we do not believe that we should be required to refund the above mentioned contributions. As a result, we have not included a debt schedule or refunded the contributions" (Attachment #9).

On June 5, 1997, the Commission received a response to the May 21, 1997 RFAs sent to the Texas Democratic Party which stated that, "The State Democratic Executive Committee/Texas Democratic Party has established, maintains, finances and controls a single federal political committee (registered as "Texas Democratic Party"). Under Texas law and state party rules, the state party organization has no authority or control over and no responsibility for the financial actions of the county party organizations...", as evidence that it is not affiliated with the Democratic Party county committees in Texas. The letter closed with, "We will appreciate any information or guidance you can provide regarding our further demonstration of our separateness from the county party organizations, and we look forward to cooperating with the Commission in any way possible" (Attachment #10).

On June 8, 1997, the Commission received a response to the May 21, 1997 RFAI sent to the Bexar County Democratic Party which stated that it operates independently, to its knowledge has not violated the law, and is seeking advice from the state party on the matter (Attachment #11).

On June 11, 1997, the Commission received a response to the May 21, 1997 RFAs sent to the Jefferson County Democratic Party which stated that it is, "...not an affiliate of the state party or any other committee for purposes of contribution limits", and "...if you need additional documentation supporting the individual standing of separateness of this committee, please let me know and I will do my best to supply that to you promptly" (Attachment #12).

On June 16, 1997, Mr. Art Brender, treasurer of the 21st Century Political Action Committee, called the Commission. Mr. Brender stated that he had just received the RFAI and wanted additional time to respond. He did not believe that

his committee was affiliated with other Texas party committees. The analyst replied that the Commission does not grant extensions, and the Commission considered local party committees automatically affiliated with their state party committee unless certain independence factors are established (Attachment #13).

On June 17, 1997, the Commission received a response from the 21st Century Political Action Committee, requesting a thirty (30) day extension in which to provide more information in response to the June 4, 1997 RFAs (Attachment #14).

On June 23, 1997, the Commission received a response to the June 4, 1997 RFA sent to the Dallas County Democratic Party which stated that, "The Dallas County Democratic Party operates a single federal political committee and is not affiliated with any other federal committee. Under Texas law, no other political organization has any control or authority over the Dallas County Party" (Attachment #15).

On June 12, 1997, Second Notices were sent to the Harris County Democratic Party, Texas Democratic Party, and Bexar County Democratic Party regarding their June 4, 5, and 8, 1997 responses, respectively (Attachment #16).

On June 19, 1997, Second Notices were sent to the Jefferson County Democratic Party regarding its June 11, 1997 response (Attachment #17).

On June 26, 1997, a Second Notice was sent to the Dallas County Democratic Party regarding its June 23, 1997 response (Attachment #18).

The Second Notices acknowledged the responses of disaffiliation, but noted that a state party committee and local party committees within that state are presumed to be affiliated. The Commission recommended an Advisory Opinion Request ("AOR") be submitted to the Commission, and that the apparent excessive contributions received be transferred out or refunded to the donor committees. The notices sent to the Harris County Democratic Party and the Bexar County Democratic Party added that the Commission was aware that funds were transferred to the Texas Democratic Party from these committees during 1996.

On June 19, 26, and July 17, 1997, Second Notices were sent to the Travis County Democratic Party, 21st Century Political Action Committee, and Galveston County Democratic Party, respectively, for failure to respond to the RFAs. The Notice to the 21st Century Political Action Committee acknowledged its letter requesting an extension (Attachment #19).

On June 30, 1997, in a phone call with the Harris County Democratic Committee, this committee volunteered that it was sending a package which would include a statement about the excessive receipts with affiliates (Attachment #3).

On July 2, 3, 7, 8, and 14, 1997, the Commission received responses from the Harris County Democratic Party, Bexar County Democratic Party, Travis County Democratic Party, Jefferson County Democratic Party, and the 21st Century Political Action Committee to the June 12, 19, and 26, 1997 Second Notices. The responses universally reiterated their disaffiliation with other party committees in Texas (Attachment #20). The responses stated,

Under Texas law and the state party rules, the state party has no authority or control over, and no responsibility for the finances or actions of, the county party organizations. Therefore, any presumption of affiliation under the regulation would be overcome by a demonstration of the actual relationship of the state and county parties.

The responses from all of the committees except the Travis County Democratic Party additionally stated,

We are not aware of any requirement to seek an advisory opinion to demonstrate non-affiliation between a state and county party. The regulations set forth the circumstances under which the presumption does not apply and the party believes that it has demonstrated that these conditions have been satisfied.

The Jefferson County Democratic Party provided a nearly identical response to submitting an AOR.

On July 21, 1997, the Commission received a letter from the Galveston County Democratic Party acknowledging the receipt of the June 25, 1997 RFAs and requesting an extension to respond in order to compile the necessary information. On August 1, 1997, the Commission received additional responses from the Galveston County Democratic Party which stated that this committee has never knowingly accepted an excessive or prohibited contribution, and does not believe it has currently done so (Attachment # 21).

On August 12, 1997, the Commission received a response from the Dallas County Democratic Party to the June 26, 1997 Second Notice. The response reiterated its disaffiliation with other party committees in Texas and provided the same quotation regarding submitting an AOR as given by the Harris County

Democratic Party and the 21st Century Political Action Committee mentioned above (Attachment #22).

On September 5, 1997, the RAD analyst called the Galveston County Democratic Party. This committee said that the question of affiliation with other Democratic Party Committees in Texas is in dispute. This committee did not know if an AOR had been submitted. The analyst mentioned that regardless of the AOR, the excess money needed to be refunded. This committee said it did not have the money and would need to seek legal advice (Attachment #13).

On September 9, 1997, the RAD analyst called the Bexar County Democratic Party. The analyst left a message with the committee's secretary for the committee's treasurer. The analyst stated there was still concern about the affiliation of this committee with other party committees in Texas. The analyst requested Mr. Murnin return the phone call for further information and confirm whether or not the committee would be taking any further action (Attachment #23).

On September 10, 1997, the analyst called Mr. Murnin a second time and again left a message requesting to speak with him. The analyst stated the matter may be referred to the Commission's Office of General Counsel. As of the date of this referral, Mr. Murnin has not attempted to contact the analyst (Attachment #23).

The Commission also received responses from some of the donor political action committees which were sent RFAs for making apparent excessive contributions. In general, these committees responses reiterated the responses received from the Committees (Attachments 24 through 29).

As of this date, no refunds have been made nor additional responses received.

B. Information Discovered During Referral Preparation

Further review of the reports filed by the Committees during the preparation of this referral discloses transactions between the local and state party committees which may indicate that they are affiliated.

These transactions are reported by the Committees as transfers, "contributions" or "in kind contributions" from the Texas Democratic Party to the local party committees or vice versa. Based on RAD's review, at least \$62,361.71 is reported in 1996 from the Texas Democratic Party to some of the local party committees included in this referral, as well as other local party committees.

Additionally, the local party committees included in this referral gave at least \$87,502.40 to the Texas Democratic Party in 1996. These are all found on Chart 2 and Attachment 30.

Other transactions involve coordinated party expenditures. Reports disclose that the Travis County Democratic Party and Galveston County Democratic Party were designated by the Texas Democratic Party to make 2 U.S.C. §441a(d) expenditures. The total amount of 2 U.S.C. §441a(d) expenditures made in this manner is \$11,097.94 and is found on Chart 3 and Attachment 31.

COMMITTEE:	Harris County Democratic Party (C00161067)
CONVERSATION(S) WITH:	Jennie Duggan

DATE:	May 14, 1997
SUBJECT(S):	1. Transfers-In from Non-Federal Account 2. Excessive Receipts in Combination with Affiliates

The Committee asked how they may resolve the issue of transfers-in for non-allocable activity. I stated that they should refund the money transferred-in for the non-allocable activity. I included that they may need to declare a debt to the non-federal account if they are unable to immediately transfer funds. The Committee asked if they could transfer-in money from their non-federal account for allocation. I replied that they could.

I also informed the Committee to expect letters, which were mailed today, regarding excessive receipts with affiliates. I offered my help to her if she has any questions regarding the letters.

DATE:	June 30, 1997
SUBJECT(S):	1. Transfers-In from Non-Federal Account 2. Excessive Receipts in Combination with Affiliates

The Committee returned my call made to the Committee earlier in the day. I asked the Committee if any more transfers had been made to pay off debt to the non-federal account. The Committee replied that they had not, and were waiting to make transfers until the end of the reporting period; however, they will make another transfer tomorrow and overnight a copy of the transfer check.

The Committee volunteered that the overnight package would include a statement about the excessive receipts with affiliates.

Dear Mr. Minberg:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report (pertinent portion(s) attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. 2 U.S.C. §441a(f) and 11 CFR §110.1(d) preclude a committee and its affiliates from receiving contributions from another political committee or person in excess of \$5,000 per calendar year.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with the clarifying information. If the contribution(s) you received exceeded the limits, you must seek reattribution of the contribution pursuant to 11 CFR §110.1(k), transfer-out the amount in excess of \$5,000 to an account not used to influence federal elections or refund the excessive amount to the donor(s) in accordance with 11 CFR §103.3(b). In the best interest of your committee, all reattributions, transfers-out, and refunds should be made within sixty days of the treasurer's receipt of the contribution(s). In order to protect the donor's interests, the Commission recommends that you inform the contributor(s) in writing to provide the donor(s) with the option of granting written authorization for a reattribution or transfer-out to another account or receiving a refund.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the transfer-out or refund. In addition, any reattributions should be reported as memo entries on Schedule A of the report covering the period during which the authorization for the reattribution is received. Any transfers-out or refunds should be disclosed on Schedule B supporting Line 22 or 28 of the report during which the transaction was made.

Although the Commission may take further legal action regarding the acceptance of an excessive contribution(s), prompt action by your committee to seek reattribution, transfer-out or refund the excessive amount will be taken into consideration.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. (10/17/96-11/25/96) Reports

Dear Mr. Parnell:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report (pertinent portion(s) attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. 2 U.S.C. §441a(f) and 11 CFR §110.1(d) preclude a committee and its affiliates from receiving contributions from another political committee or person in excess of \$5,000 per calendar year.

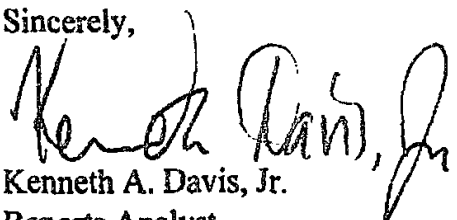

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with the clarifying information. If the contribution(s) you received exceeded the limits, you must seek reattribution of the contribution pursuant to 11 CFR §110.1(k), transfer-out the amount in excess of \$5,000 to an account not used to influence federal elections or refund the excessive amount to the donor(s) in accordance with 11 CFR §103.3(b). In the best interest of your committee, all reattributions, transfers-out, and refunds should be made within sixty days of the treasurer's receipt of the contribution(s). In order to protect the donor's interests, the Commission recommends that you inform the contributor(s) in writing to provide the donor(s) with the option of granting written authorization for a reattribution or transfer-out to another account or receiving a refund.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the transfer-out or refund. In addition, any reattributions should be reported as memo entries on Schedule A of the report covering the period during which the authorization for the reattribution is received. Any transfers-out or refunds should be disclosed on Schedule B supporting Line 22 or 28 of the report during which the transaction was made.

Although the Commission may take further legal action regarding the acceptance of an excessive contribution(s), prompt action by your committee to seek reattribution, transfer-out or refund the excessive amount will be taken into consideration.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. -Records at the Commission indicate that your committee and your affiliates may have made contributions which exceed the limits set forth in the Act (pertinent portions attached). 2 U.S.C. §441a(a) precludes multi-candidate committees and their affiliates from making contributions to a candidate for federal office which, when combined, exceed \$5,000 per election.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If you have made an excessive contribution, you should either notify the recipient and request a refund of the amount in excess of \$5,000 and/or notify the recipient, in writing, of your redesignation of the contribution. In the best interest of the committee, all refunds and redesignations should be made within sixty days of the treasurer's receipt of the contribution. Dear Mr. Evans:

This letter is in response to FEC correspondence dated May 14, 1997. The FEC letter states that the Harris County Democratic Party has received excessive contributions from the following sources: American Trial Lawyers Association, UAW V Cap, NEA PAC, AFSCME, DRIVE Political Fund, Sherman for Congress, and the Committee on Political Education.

It is our understanding that the Harris County Democratic Party and the Texas Democratic Party are not affiliated for purposes of contributions. The Harris County Democratic Party is not established by the Texas Democratic Party, but rather under State Law. The County Executive Committee and County Chair are directly elected by the voters of Harris County. The Texas Democratic Party has no control over the day-to-day operations of the Harris County Democratic Party, nor do they direct any of our activities during Federal, State, or Local campaigns. Our bank accounts and other such operational tools are not under the authority of the Texas Democratic Party in any situation. Therefore, we have taken the position that these contributions were rightfully solicited under Federal law.

The Harris County Democratic Party is seeking further legal counsel on this issue. However, because of our position, we do not believe that we should be required to refund the above-mentioned contributions. As a result, we have not included a debt schedule or refunded the contributions.

If you need any further clarification on this matter, or have any other questions or concerns, please feel free to contact Jennie Duggan at 713-522-9361. Thank you very much.

Dear Ms. Reynolds:

This letter is in response to your letter of May 21, 1997, regarding the reports referenced above.

The State Democratic Executive Committee/Texas Democratic Party has established, maintains, finances and controls a single federal political committee (registered as "Texas Democratic Party"). Under Texas law and state party rules, the state party organization has no authority or control over and no responsibility for the financial actions of the county party organizations, as the following points illustrate:

- County party executive committees (the controlling and managing bodies of the party at the county level) are established by state law, not by the state party.
- Under state law, county party executive committees are composed of a chairman, who is the presiding officer, and the precinct chairs from each county election precinct. These members are publicly elected, in the primary election, by the voters who choose to vote in a party's primary. Term of

office and eligibility to hold these offices are prescribed by state law. Interim vacancies on an executive committee are filled by members of the executive committee.

- The state party executive committee's existence, membership composition and eligibility, term of office, and manner of election are also controlled by state law. Members and officers are elected during the state convention by the delegates to the convention, not selected or approved by the county party executive committees. Interim vacancies on the state committee are filled by the committee itself. (The Texas Democratic Party's convention delegate selection process is complex, beginning with a precinct convention on the evening of the primary election, in which any person who voted in that Democratic primary may participate and elect delegates to the next level (county or senate-district-within-county convention). Those delegates, who were directly elected by eligible voters, then elect the delegates to the state convention.)
- State party rules may be permanently amended or repealed only by a majority vote of the state convention; temporary rules changes may be passed by the state party executive committee, subject to the approval of the next convention. County parties are free to establish rules and procedures of their own. County parties do submit a file copy of their rules to the state party, but state party rules do not provide for any oversight or interpretation of county party rules, by-laws or procedures by the state party.
- The state party has no authority under either state law or its rules to interfere in the financial affairs of the county parties. The county parties establish their own bank accounts, hire and fire their own employees, make their own contracts and incur their own liabilities. No state law or party rule makes the state party organization in any way responsible for county party executive committee actions.
- Under state law, county parties establish and control their own (nonfederal) political committees, which are not affiliated with the state party's (nonfederal) committees.
- County parties are responsible for funding their own operations. No provision of party rules or state law requires the county parties to support the state party financially, nor does the state party, by law, rule or practice, provide any general or ongoing support for the county parties.

The committee believes that these factors demonstrate that the state party and its federal committee have no authority or control over the county parties or their

federal political committees, and that the political committees of the state and county parties are thus not affiliated in any way for purposes of contribution limits.

The committee also wishes to stress that we have never knowingly accepted an excessive or prohibited contribution, and we do not believe we have done so in the instances referenced in your letter.

We will appreciate any information or guidance you can provide regarding our further demonstration of our separateness from the county party organizations, and we look forward to cooperating with the Commission in any way possible.

Dear Mr. Evans:

In response to your letter of May 21, 1997 please find enclosed amended reports attached to each notice that addresses the specific item referenced.

Additionally, in regard to the question raised about excess contributions received from various political organizations and committees, please be aware that this political committee is separate and is not an affiliate of the state party or any other committee for purposes of contribution limits. The state party did not establish this committee nor does it exercise any authority over this committee. We welcome the opportunity to discuss this situation further with you and the state party to assure that this is accurate. If you have information from any source including the state party that in any way is contradictory, please let me have it so that I can correct any misinformation along this line.

SUBJECT(S):	Affiliation of Texas Democratic Committees

Mr. Brender contacted me. He stated that he had just received my letter and wanted additional time to submit an answer. Offhand, he did not think that the committees were affiliated. I told him that we did not grant extensions and the FEC considered state party committees automatically affiliated unless certain independence factors are established.

She said that the question of whether or not they and the other TX counties were affiliated is "being contested" but she did not know who, if anyone had submitted an advisory opinion, etc. I told her they were welcome to submit an AO but that in the meantime and regardless of the AO, the excess money needs to be refunded. She said they don't have the money and she would have to talk to the lawyers, etc. to find out what they could do.

I told her if she got me the amendments by the beginning of next week we could avoid sending other letters (Per Lisa, by the 10th). She said she would try and understands if we need to send other letters.

RE: 21st Century Political Action Committee

Dear Mr. Davis:

Please be advised that I have replaced Evelyn Farmer as the Democratic County Chair of Tarrant County, Texas and thus as the Treasurer of the 21st Century Political Action Committee located at 719 N. Beach Street, Fort Worth, Texas 76111. I am only recently in receipt of your letter dated June 4, 1997 requesting certain information within 15 days. This will confirm that I contacted you this date and asked for additional time since I am leaving for vacation this week and the will be gone the entire week. The following week I have matters out of the office and out of town that will make it difficult for me to research and respond to your inquiry.

I advised you that I needed an additional 15 days but at this point in reviewing the matter further, I would like an additional 30 days in which to respond. In talking to you it appears as though what constitutes an "affiliate" is interpreted differently by the Federal Election Commission in its guideline that you quoted to me than what I see in a brief look at 11 C.F.R. §110.3(b). I want to be able to research this matter thoroughly since apparently this is an interpretation that I feel like may be at odds with the statute and certainly not realistic given the composition of local parties in the State of Texas. As I mentioned to you in our brief telephone conversation, as the Tarrant County Democratic Chairman, I am elected in a primary election to hold office for a two year term as Democratic Chairman is elected by delegates to the state convention. Consequently, the question of control as set out in the statute is a much more difficult question and I believe will need to be reviewed in its entirety together with the cases decided by the Commission in this area in order to respond adequately to your claim. In

other words, as I see this matter it is a matter of legal interpretation of the statute and an interpretation which I understand from others. more knowledgeable than, I subject to a great deal of question. In any event, I will need an additional 30 days in which to respond and assume that that will be granted by the Commission unless I hear something else immediately.

With regard to the other matter of overlapping coverage, once again I will review that matter and respond to it within 30 days as well. If this is just a book keeping matter, we will try to take care of it and supply you with the corrected report promptly.

Thank you for your attention to this matter.

RE: Dallas County Democratic Party -- C00248864
12 Day Pre-General (10/1/96-10/16/96) and 30 Day Post-General (10/17/96-11/25/96)
Reports

Dear Mr. Davis,

This letter is in response to your letter dated June 4, 1997.

First, the Dallas County Democratic Party wishes to make it clear that it has never knowingly accepted any contribution in excess of the limits set forth in the Act.

After careful review, it is the Dallas County Democratic Party's position that the contributions in question do not exceed the limits in 2 U.S.C. §441a(f) and 11 CFR §110.1(d). As disclosed in the reports, no contribution exceeded the \$5,000 aggregate limit for political action committees. Therefore, I assume that the issue is whether the Dallas County Democratic Party is affiliated with any other political committee and thus shares a contribution limit with other political committees.

The Dallas County Democratic Party operates a single federal political committee and is not affiliated with any other federal committee. Under Texas law, no other political organization has any control or authority over the Dallas County Party. Similarly, the Dallas County Democratic Party does not control or have any authority over any other federal political committee.

Texas law establishes the county political parties and provides that they be controlled by an executive committee comprised of the precinct chairs who are elected during the primary election. The county chair is also elected on the primary ballot. State law prescribes the qualifications and method of election for both the county party chair and precinct chairs.

In Texas, the primary elections are funded by the State. The Texas Secretary of State works independently with each county party to manage the primary. Each county party must submit a budget, independent of any other county party or state party. Checks are then written to each county party and each county party is responsible to the Texas Secretary of State for its own primary election operation. Obviously, if there was any degree of affiliation, the Texas Secretary of State would much rather deal with one state political party instead of 254 county party organizations !

The financial affairs of county parties in Texas are operated independent of each other and the Texas Democratic Party. The Dallas County Democratic Party establishes its own bank accounts, hires employees, enters into contractual relationships, and performs other activities independent of the Texas Democratic Party. The Texas Democratic Party does not provide any general or ongoing support for the Dallas County Democratic Party, nor does the Dallas County Democratic Party provide any general or ongoing support for any other federal political committee, including the Texas Democratic Party or any other county party.

Since all operations are independent of other federal political committees, the Dallas County Democratic Party has no method by which it can determine who has or has not contributed to other federal political committees.

The Dallas County Democratic Party believes that the facts as stated above show that it is neither controlled by nor controls another federal political committee, and thus are not affiliated in any way for purposes of contribution limits with any other federal political committee.

Should you have any questions or comments concerning this letter, please feel free to contact me at the letterhead address.

Very truly yours,

David A. Parnell, Treasurer

Dear Mr. Minberg:

On May 14, 1997 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your June 3, 1997 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-In your response concerning your affiliation with the Texas Democratic Party and other subordinate party committees, you state, "It is our understanding that the Harris County Democratic Party and the Texas Democratic Party are not affiliated for purposes of contributions. The Harris County Democratic Party is not established by the Texas Democratic Party, but rather under State Law."

Please note that local party committees within a state are presumed to be affiliated with the state party committee and therefore considered affiliated with each other, thus sharing the contribution limit for one political committee. A local party committee may be considered independent of the state party committee if it can meet certain standards. See 11 CFR §110.3(b)(3)(i) and (ii).

The Commission notes that your committee transferred funds to the Texas Democratic Party in 1996.

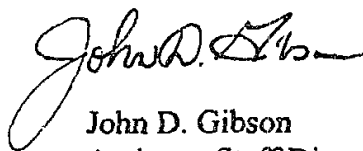

After reviewing the relevant Commission Regulations concerning state party affiliation, if your committee still believes that it is not affiliated with the Texas Democratic Party and other subordinate party committees, you should submit an Advisory Opinion Request to the Commission concerning that matter.

Regarding the excessive contributions which your committee and your possible affiliated committees have received from several contributors, you must transfer-out the amount in excess of \$5,000 to an account not used to influence federal elections or refund the excessive amount to the donors in accordance with 11 CFR §103.3(b). Please inform the Commission of your corrective action in writing and provide a photocopy of your check for the transfer-out or refund.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

Dear Mr. Moore:

On May 21, 1997 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your June 5, 1997 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

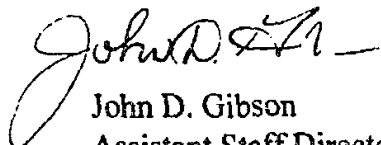

-In your response concerning your affiliation with your state's county party committees, you state that under Texas law and state party rules, the state party organization has no authority or control over and no responsibility for the financial actions of the county party organizations. You also listed several points which you feel demonstrates that the political committees of the state and county parties are thus not affiliated in any way for purposes of contribution limits. Please note that a state party committee and local party committees within that state are presumed to be affiliated. All contributions received and made by local party committees count against the state committee's limits. State and local party committees may operate under their own separate set of contribution limits if the committee's independence can be demonstrated. See 11 CFR 110.3(b)(3)(i) and (ii). Please submit an Advisory Opinion Request to the Commission should your committee wish to demonstrate non-affiliation with your state's local party committees.

Regarding the apparent excessive contributions which your committee and your presumed affiliated committees have received from several contributors, you must transfer-out the amount in excess of \$5,000 to an account not used to influence federal elections or refund the excessive amount to the donors in accordance with 11 CFR 103.3(b). Please inform the Commission of your corrective action in writing and provide a photocopy of your check for the transfer-out or refund.

Re: Request for Additional Information dated June 12, 1997

Dear Mr. Evans:

This letter responds to your request for additional information dated June 12, 1997. As stated in our earlier response, the Harris County Democratic Party is not affiliated, as that term is defined under the FEC's regulations, with the state's party committee. The county and state parties have been acting under the same structure for a number of years and there has never been any question of affiliation.

Under Texas law and the state party rules, the state party has no authority or control over, and no responsibility for the finances or actions of, the county party organizations. Therefore, any presumption of affiliation under the regulation would be overcome by a demonstration of the actual relationship of the state and county parties.

We are not aware of any requirement to seek an advisory opinion to demonstrate non-affiliation between a state and county party. The regulations set forth the circumstances under which the presumption does not apply and the party believes that it has demonstrated that these conditions have been satisfied.

Sincerely,

Jennie Duggan, Finance Director
Harris County Democratic Party

RE: YOUR REQUEST FOR ADDITIONAL INFORMATION

DEAR MR. GIBSON:

THIS LETTER RESPONDS TO YOUR REQUEST FOR ADDITIONAL INFORMATION DATED JUNE 12, 1997. AS STATED IN OUR EARLIER RESPONSE, THE BEXAR COUNTY DEMOCRATIC PARTY IS NOT AFFILIATED, AS THAT TERM IS DEFINED UNDER THE FEC'S REGULATIONS, WITH THE STATE'S PARTY COMMITTEE. THE COUNTY AND STATE PARTIES HAVE BEEN ACTING UNDER THE SAME STRUCTURE FOR MANY YEARS AND THERE HAS NEVER BEEN ANY QUESTION OF AFFILIATION.

UNDER STATE LAW AND THE STATE PARTY RULES, THE STATE PARTY HAS NO AUTHORITY OR CONTROL OVER, AND NO RESPONSIBILITY FOR THE FINANCES OR ACTIONS OF, THE COUNTY PARTY ORGANIZATIONS. THEREFORE, ANY PRESUMPTION OF AFFILIATION UNDER THE REGULATION WOULD BE OVERCOME BY A DEMONSTRATION OF THE ACTUAL RELATIONSHIP OF THE STATE AND COUNTY PARTIES.

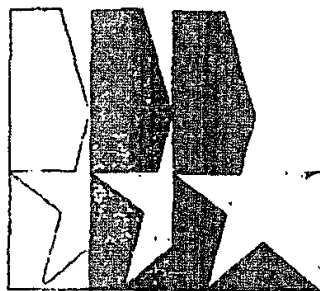

WE ARE NOT AWARE OF ANY REQUIREMENT TO SEEK AN ADVISORY OPINION TO DEMONSTRATE NON-AFFILIATION BETWEEN A STATE AND COUNTY PARTY. THE REGULATIONS SET FORTH THE CIRCUMSTANCES UNDER WHICH THE PRESUMPTION DOES NOT APPLY AND THE PARTY BELIEVES THAT IT HAS DEMONSTRATED THAT THESE CONDITIONS HAVE BEEN SATISFIED.

Dear Mr. Gibson:

This is in response to your letter of June 19, 1997, and J.P. Andre's letter of May 28, 1997.

We are not aware of any contributions received by the Travis County Democratic Party in excess of the limits set forth in 2 U.S.C. 441a(f) and 11 CFR 110.1(d).

The excerpts attached to J.P. Andre's letter of May 28 did not reflect any such excesses. The attachments only included one page from the report of our committee, the Travis County Democratic Party, and several pages from the reports of other committees from which we are separate and independent. We are a separate committee from the Texas Democratic Party and the other county parties in Texas.

The Travis County Democratic Party is not affiliated, as that term is defined under FEC regulations, with the state party committee, nor with the committee of any other county in the state. The county and state parties have been operating under the same structure for many years and there has never been any question of affiliation.

Under Texas law and the state party rules, the state party has no authority or control over, and no responsibility for the finances or actions of, the county party organizations. Therefore, any presumption of affiliation under the regulation would be overcome by a demonstration of the actual relationship of the state and county parties.

Please direct your attention to the letter dated June 4, 1997, to Reports Analyst Amy Suzanne Reynolds from the Texas Democratic Party, reference Identification Number C00099267, more fully describing the status and relationships of the state and county parties under Texas law and actual practice.

Re: ID# C00253880
Reference 12-Day Pre-Runoff Report (10/17/96 - 11/20/96)

Dear Mr. Gibson:

I am writing in response to your letter dated June 19, 1997.

First, in regard to the alleged disclosure of transfers from our non-federal account which occurred outside the permissible transfer period. The 12 Day Pre-General Report (10/1/96 - 10/16/96) was amended to reflect certain disbursements that were allocable which resulted in the transfers shown on the 10/17/96 - 11/20/96 report. A copy of the Report and Receipts and Disbursements (amended) is enclosed. It is our understanding that this explanation is sufficient response to and resolve this transfer issue.

Secondly, this letter also response to your request for additional information contained in your June 19, 1997 letter.

Under Texas law and the State Democratic Party rules, the state party Officers and State Executive Committee have no authority or control over, and no responsibility for, financial activities of the county party. Likewise, the Jefferson County Chair and Executive Committee have no authority or control over and no responsibility for the financial activity of either the Texas Democratic Party or the National Democratic Party.

The Jefferson County Executive Committee, is the controlling and managing body of the Jefferson County Democratic Party. This authority is geographic to Jefferson County, Texas. The members of this committee are elected every two years at the primary election which is conducted under the auspices of the Secretary of State's office. The county executive committee is established by state law, the Texas Election Code, which is statutory law passed by the Texas Legislature. This committee is financially independent of State Democratic Party as well as the National Democratic Party.

Page 2

The Texas Election Code provides that the county party executive committee is composed of a Chairman who is elected countywide. The chair is the presiding officer. The Precinct Chairs are elected from each of the 99 county election precincts. The precinct chairs are publically elected in the primary election by the registered voters who chose to vote in the party primary on each even numbered year. The County Chair and the Precinct Chairs hold office and are eligible to hold office all as is prescribed by the Texas Election Code. Vacancies on the executive committee are filled by members of the executive committee. The State and National parties have nothing to do with the election process. They have, for instance, no power to elect or remove the county precinct chairs. Meetings of the executive committee are open to the public.

The State Party Executive Committee's existence, membership composition, eligibility, term of office, and manner of election are also controlled by state law. However, members of the State Party Executive Committee are not elected at a public election conducted by the Secretary of State. Members and officers of the State Party Executive Committee are elected during the State Convention by the delegates to the convention. The members of the Texas Democratic Party Executive Committee and its officers are not selected or approved by the county party executive committee. Same is true for the county chair and precinct chairs of the Jefferson County Democratic Party. That is, they are not selected are subject to approval by the State Democratic Party.

The Texas Democratic Party convention delegate selection process is complex and begins with a precinct convention on the evening of the primary election. Any person who voted in the democratic primary may participate and elect delegates to the county and state convention. The delegates who are directly elected by eligible voters then elect delegates to the state convention but they are not elected in a public election in a sense that precinct chairs of a county executive committee are elected.

The Jefferson County Democratic Party is free to establish rules and procedures and does not have to even submit a copy of its rules to the state party or to the national party.

Neither the national party nor the state party have any authority to interfere with the financial affairs of the Jefferson County Democratic Party. The Jefferson County Democratic Party has established its own bank accounts and able to hire and fire its own employees and incur its own liabilities, fundraise and make its own contracts without any permission or reporting to either the state or national democratic party. Likewise, I know of no state or federal law or national or state party rule that makes the county party executive committee responsible for the action of a state or national party organization.

I know of no state or federal law or regulation which prohibits county parties from establishing and controlling their own non-federal political committees which are not affiliated with state parties non-federal committees.

County parties are responsible for funding 100% of their own operations. No provision or

Page 3

party rules or state law requires that the county parties support the state party or the national party in a financial way. Likewise, I know of no Democratic party national or state rule or practice of providing any general or ongoing financial support for county parties and certainly that is true for Jefferson County.

I am at a complete loss to understand the facts which demonstrate that the Jefferson County Democratic Party federal committee has been subjected to or is under the authority or is controlled by state or national democratic political committees and if you know of any such facts which support the notion that the Jefferson County Democratic Party committee is not independent of the state and national organizations then I would appreciate it if you would provide those to me and I will immediately respond.

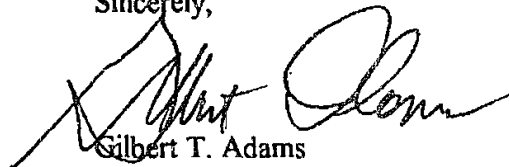

Under Texas law and the state party rules, the state party has no authority or control over, and no responsibility for the finances or actions of, the county party organizations. Therefore, any presumption of affiliation under the regulation would be overcome by a demonstration of the actual relationship of the state and county parties. I trust that this response as well as the previous responses and those that I understand are being made by the State Democratic Party, which are incorporated for that purpose, are sufficient responses.

We are not aware of any requirement to seek an advisory opinion to demonstrate the autonomy of the Jefferson County Democratic Party and the non-affiliation of the state and county organizations. The regulations set forth the circumstances under which the presumption does not apply and we believe that we have demonstrated that these conditions have been satisfied. However, if we are mistaken, which I trust we are not, please advise of the specific requirement and how one goes about obtaining an advisory opinion.

We also wish to stress that we have never knowingly accepted an excessive or prohibited contribution and do not believe we have done so in the instances referenced in your letter.

Hopefully, this letter adequately demonstrates the separateness between State and County Party organizations. We will appreciate any information or guidance you can provide regarding our further demonstration of our separateness from the state party organization and look forward to cooperating with the Commission in any way possible.

Sincerely,

Gilbert T. Adams

Dear Mr. Gibson:

This letter responds to your request for additional information dated June 26, 1997. Dear Mr. Evans:

This is in response to your inquiries of May 14th to Roy Wyse about V-CAP's 12 day Pre-General Report, and its 30 day Post-General Report. In particular, you inquire about donations of \$5,000 each to the Harris County Democratic Party and the Dallas County Democratic Party (former, at 39), and to the Galveston County Democratic Party (latter, at 31).

The answer is that, because of Texas law and practice, these County Democratic organizations are aggregated for FECA purposes. They are quite independent of each other, and operate accordingly.

Apparently the same question has been posed by Amy Reynolds of your Division to the Texas Democratic Party (I.D. #C00099267). Attached is the response of the Party, which discussed Texas law in some detail. As you will see, both in structure and operation, they are separate political committees. So, under §110.3(b) of the Regulations, V-CAP is allowed to donate \$5,000 to each of them, and has not exceeded our limitations.

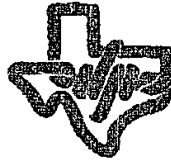

Sincerely,

M. Jay Whitman

- County parties are responsible for funding their own operations. No provision of party rules or state law requires the county parties to support the state party financially, nor does the state party, by law, rule or practice, provide any general or ongoing support for the county parties.

The committee believes that these factors demonstrate that the state party and its federal committee have no authority or control over the county parties or their

Dear Mr. Dodson:

I am responding to your letter dated June 4, 1997 to Richard L. Trumka, Treasurer of the AFL-CIO Committee on Political Education/Political Contributions Committee (hereinafter "COPE-PCC").

Your letter states that contributions reported by COPE-PCC on Schedule B of the above-referenced report appear to exceed the limits set forth in section 441a(a) of the Federal Election Campaign Act. The two contributions in question are a contribution of \$5000 to the Jefferson County Democratic Party Federal Account and a contribution of \$5000 to the Harris County Democratic Party Federal Account.

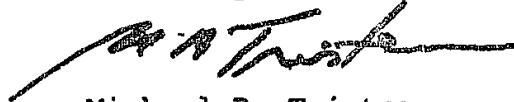

Although your letter does not indicate why you believe these contributions violated section 441a(a), I assume that you believe that the federal committees of the Jefferson and Harris County Democratic Parties are affiliated for purposes of the contribution limits set forth in that section. It is our understanding, however, that the federal committees established by Texas county party executive committees are not affiliated with each other or with the federal political committee established by the State Democratic Executive Committee because under Texas law the state party organization has no authority or control over and no responsibility for the financial actions of

Dear Mr. Andre:

This letter is in response to the Commission's preliminary review and questions regarding the report(s) referenced above:

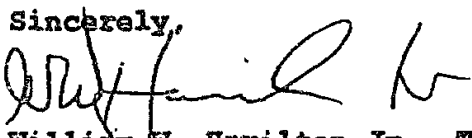

-Schedule B contribution(s) which appear(s) to exceed the limit of \$5,000 per calendar year per political committee:

- The disbursement made payable to the Jefferson County Coordinated Campaign for \$5,000 dated 12/9/96 was a contribution for the Lampson-Stockman Special Congressional Run-off Election held in the State of Texas. Enclosed is a letter addressed from the recipient stating the purpose of the contribution. Also enclosed is a copy of cancelled check no. 603-007702, dated 12/9/96, payable to Jefferson County Coordinated Campaign.
- The disbursement made payable to the Harris County Democratic Party for \$5,000 dated 12/4/96 was also a contribution for the Special Congressional Run-off Election. Enclosed is a copy of the Texas Democratic Party's response to an FEC inquiry from FEC Report Analyst Amy Suzanne Reynolds. In short, the letter states that the state party organization has no authority or control over and no responsibility for the financial actions of the county party organizations. Also enclosed is a copy of cancelled check no. 603-007689, dated 12/4/96, payable to the Harris County Democratic Party.
- The above mentioned response should also answer the question in reference to the \$5,000 disbursement made payable to the Texas State Democratic Party dated 6/24/96. This disbursement is within the calendar year contribution limits for state political committees. Enclosed is a copy of cancelled check no. 603-006504, dated 6/24/96, payable to the Texas State Democratic Party.

County parties do submit a file copy of their rules to the state party, but state party rules do not provide for any oversight or interpretation of county party rules, by-laws or procedures by the state party.
- The state party has no authority under either state law or its rules to interfere in the financial affairs of the county parties. The county parties establish their own bank accounts, hire and fire their own employees, make their own contracts and incur their own liabilities. No state law or party rule makes the state party organization in any way responsible for county party executive committee actions.
- Under state law, county parties establish and control their own (nonfederal) political committees, which are not affiliated with the state party's (nonfederal) committees.
- County parties are responsible for funding their own operations. No provision of party rules or state law requires the county parties to support the state party financially, nor does the state party, by law, rule or practice, provide any general or ongoing support for the county parties.

The committee believes that these factors demonstrate that the state party and its federal committee have no authority or control over the county parties or their

federal political committees, and that the political committees of the state and county parties are thus not affiliated in any way for purposes of contribution limits.

The committee also wishes to stress that we have never knowingly accepted an excessive or prohibited contribution, and we do not believe we have done so in the instances referenced in your letter.

We will appreciate any information or guidance you can provide regarding our further demonstration of our separateness from the county party organizations, and we look forward to cooperating with the Commission in any way possible.

Re: Your Identification Number: C00003806;
Reference: 30 Day Post-General Report (10/17/96-
11/25/96)

Dear Mr. Gibson:

I am responding to your letter dated June 26, 1997 to Richard L. Trumka, Treasurer of the AFL-CIO Committee on Political Education/Political Contributions Committee (hereinafter "COPE-PCC").

As set forth in my letter to Andrew J. Dodson dated June 16, 1997, it is our understanding that the federal committees established by Texas county party executive committees are not affiliated with each other or with the federal political committee established by the State Democratic Executive Committee. Your letter acknowledges that a local party committee may be considered independent of the state party committee if it meets the standards in 11 C.F.R. § 110.3(b)(3)(i) and (ii), and it suggests that local party committees may submit an Advisory Opinion Request if they do not wish to be treated as affiliated. Finally, you state that COPE-PCC should notify the recipient committees and request a refund of the amounts in excess of \$5000.

We do not believe it is appropriate at the present time to demand a refund of all or part of the contributions made to the two Texas county committees in view of the committees' position that they are independent under state law. However, we have written to the committees to advise them of your position and to

request that they inform us of the steps they are taking to clarify their status with the Commission.

Please direct any further inquiries regarding this matter to me.

Re: Contributions to Texas County Democratic Parties

Dear Mr. Davis:

This is a follow-up to my letter of June 18, 1997, which contained the response of the National Education Association Political Action Committee ("NEA-PAC") to your June 4, 1997 letter to Ken Melley. In your letter, you stated that a preliminary review of NEA-PAC's 12 Day Pre-General Report (10/1/96 - 10/16/96) indicated that NEA-PAC had exceeded the contribution limit set forth in 2 U.S.C. § 441a(a) by making separate \$5,000 contributions to the Tarrant County (TX) Democratic Party, the Dallas County (TX) Democratic Party, the Harris County (TX) Democratic Party, and the Texas Democratic Party during 1996. You advised NEA-PAC to "notify the recipient and request a refund of the amount in excess of \$5,000," and to "inform the Commission of [its] corrective action immediately in writing and provide a photocopy of the refund request sent to the recipient committee(s)."

In my June 18 letter, I informed you that:

At the time the contributions were made to the county parties, however, it was NEA-PAC's understanding that each party was separate and distinct from the others and that none had been "established, financed, maintained, or controlled" by the Texas Democratic Party. Although there is nothing in your letter to indicate why this understanding is not correct, NEA-PAC will not at this juncture debate the point. Therefore, it has written to each of the county parties requesting a refund of the \$5,000 contribution it made on October 9, 1996.

Enclosed with my June 18 letter were photocopies of the letters requesting refunds that NEA-PAC had sent to the county parties.

On June 28, 1997, Lisa Y. Payne, Chairperson of the Dallas County Democratic Party, stated that NEA-PAC's request for a refund is not well-founded. In a letter to NEA-PAC Accountant Gerard Polchinski, a copy of which is enclosed for your convenience, Ms. Payne maintained that "the state

and county parties are not subject to one contribution limit," and that "the refund that you have requested, apparently believing that this contribution was unlawful, is not required." NEA-PAC has received no correspondence, including refunds, from the other Texas County Democratic Parties in question.

NEA-PAC has no desire to get involved in a dispute between the Texas County Democratic Parties and the Federal Election Commission regarding the proper interpretation of federal and state election laws. NEA-PAC has made a good faith effort to take the action you suggested, and believes it can do nothing more until the Commission and the Democratic Parties resolve this matter.

If you have any questions regarding this letter, please feel free to contact me.

Sincerely,

Richard B. Wilkof
Counsel for NEA-PAC

Dear Gerard:

We have received your request for a refund of your contribution to the Dallas County Democratic Party. We understand that the Federal Election Commission has contacted you about this contribution and raised a question about whether your political committee may have exceeded the contribution limits by contributing to the state and county party in Texas.

We are currently addressing this issue with the FEC and have provided information to demonstrate that the state and county Democratic parties are not affiliated, as that term is defined under the FEC's regulations. The county and state parties have been acting under the same structure for many years and there has never been any question of affiliation. Therefore, the state and county parties are not subject to one contribution limit. We are confident that the information we have provided to the FEC demonstrates that there is no affiliation and that the contribution your political committee made to the party is lawful.

Therefore, the refund that you have requested, apparently believing that this contribution was unlawful, is not required. We will alert you in the event there is any additional information that comes to our attention about this issue in the future.

Sincerely,

Lisa Y. Payne

Re: DRIVE Year End Report (11/26/96-12/31/96)

Dear Mr. Gibson:

We represent the International Brotherhood of Teamsters' Democratic-Republican-Independent Voter Education Political Committee ("DRIVE").

We respond to your letter dated June 26, 1997, to DRIVE's treasurer, Mr. William W. Hamilton, Jr. Your letter pertains to contributions listed on DRIVE's above-referenced report to certain county party committee committees in Texas. Your letter requests that DRIVE request the Harris County Democratic Party Federal Account and the Jefferson County Coordinated Campaign to refund contributions made on December 4, 1996, and December 8, 1996, respectively.

After receiving your letter, DRIVE contacted the relevant party committees in Texas regarding this issue. The Texas Democratic Party transmitted to DRIVE a letter dated July 26, 1997, which sets forth the Texas Democratic Party's legal conclusion, based on a pertinent Federal Election Commission advisory opinion, why county party committees in that state have separate contribution limits from the state party committee itself. Moreover, DRIVE had been provided with such information before any contributions were made.

Based on the foregoing, DRIVE has complied with its legal obligations.

Sincerely,

David E. Frulla

Reference: 12 Day Pre-General (10/1/96-10/16/96) and 12 Day Pre-Runoff (10/17/96-11/20/96) Reports

Dear Mr. Gibson:

This letter is in response to your letter of June 12, 1997, regarding the reports referenced above.

In October 1987, the Committee submitted, as a referenced attachment to our Statement of Organization, a statement that briefly and clearly outlined our relation to the county parties. At the time we filed the attachment, we had reviewed the Commission's single advisory opinion on the subject, AO 1978-9, and had determined that our situation was essentially the same as that outlined in the opinion.

In the almost 10 years since we filed our statement, we have had no response, reaction or request for further information from the FEC regarding our relationship to the county party political committees—until now.

We have been unable to locate, in further review of the Commission's regulations or other information generally available to party political committees, any requirement that each state or local party committee separately seek its own advisory opinion to demonstrate its non-affiliation. We have relied and continue to rely on the guidance provided in AO 1978-9.

We believe we have fully demonstrated that our committee and the county party committees are not affiliated.

Sincerely,

Michael J. Moore, Treasurer
Texas Democratic Party

ATTACHMENT TO STATEMENT OF ORGANIZATION

October 30, 1987

The County Democratic Party committees of the Texas Democratic Party are neither established, controlled, nor financed by the State Party Committee. They do not receive funds from the State Party Committee, nor does the State Committee control their expenditures.

The only control exercised by the State Democratic Executive Committee (whose committee, for federal election purposes, is the Texas Democratic Party - Federal) over the County Democratic Executive Committees is in the removal of County Party Officers if the officer publicly supports or endorses an opposing party or the nominee of an opposing party or a candidate seeking the nomination of an opposing party.
